VACANCIES for

## FIRST and SECOND LINE SUPPORT ENGINEERS

GML Networking Technologies are an ICT company based in Kirby Cross, Essex. We provide a wide range of services to an International client base, including -

- Telephone, remote and on-site support
- Maintenance and support contracts
- Networking consultancy
- Windows and Linux Servers systems
- Interoperability
- Firewall systems
- Virtual Private Networks
- Internet services
- Bespoke software development
- Media design services
- IT hardware supply
- DSL services
- Telephony services

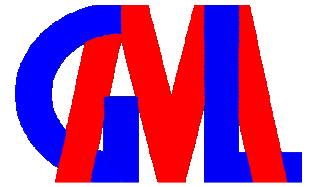

We are currently looking to expand our technical team, and are seeking experienced Engineers, recent graduates, or home-grown talent with personal and/or commercial experience in a number of the following areas -

- DOS
- TCP/IP networking
- Windows / Windows Server
- Active Directory
- Exchange Server
- Linux, particularly Fedora Core/CentOS/RHEL
- Unix
- MacOS / Novell / Netware
- Samba
- LDAP
- VPNs
- Plesk
- Asterisk
- Microsoft Office family / OpenOffice
- System building

Microsoft or Red Hat certifications would be highly advantageous.

A current full UK driving license is required for all positions (excluding trainees).

/continued

We are a forward-thinking company that operates on the cutting edge, blending support services with the development of applications to solve problems and automate processes, so knowledge of any of the following would enhance your credentials no end -

- .NET
- Visual Basic
- Microsoft Access
- ASP
- PHP
- Zope
- MySQL
- SQL Server
- Perl / Python / CGI / SSI / FastCGI
- Windows / Linux scripts

We expect applicants to be -

- Punctual
- Reliable
- Hard-working
- Willing to travel

The normal recruitment process is as follows –

- Online interview / technical test
- In-house interview / technical test
- Work trial (varies)
- Probationary period (three months)
- Permanent employment

Successful applicants will be expected to assume a variety of roles on a daily basis, owing to the reactive and unpredictable nature of our business. These roles may be performed at our workplace, our client's premises, or our employee's homes, as deemed appropriate for the task in hand.

We operate in shifts, from 8am to 8pm, Monday to Friday, plus emergency weekend cover. Our full-time employees are contracted to work a nine hour shift – including an hour for lunch - five days per week.

Any successful applicant's job title and remuneration would be dependant on their skills, age and experience, but the basic packages includes -

- A laptop computer
- Various gadgets to accompany the laptop computer
- Various PCs and peripherals with which to deploy a home network
- A mobile phone with a call allowance
- A mileage allowance
- A Domain Name and hosting space
- Access to a wealth of technical resources

Please forward all applications to [jobs@gmlnt.com](mailto:jobs@gmlnt.com), including a current CV.
